very nice puzzle game, challenging (at least for me) but still very fun. i made it to level 13 in 2 hours and the difficulty really ramps up fast haha. i feel like if you enjoy a rubiks cube you'd love this game.. u2b50u2b50u2b50u2b50u2b50. very nice puzzle game, challenging (at least for me) but still very fun. i made it to level 13 in 2 hours and the difficulty really ramps up fast haha. i feel like if you enjoy a rubiks cube you'd love this game.. u2b50u2b50u2b50u2b50u2b50. u2b50u2b50u2b50u2b50u2b50. very nice puzzle game, challenging (at least for me) but still very fun. i made it to level 13 in 2 hours and the difficulty really ramps up fast haha. i feel like if you enjoy a rubiks cube you'd love this game.
